

I listen to K-LOVE everyday at work on station 94.3FM. It has been a blessing to me as it encourages me throughout my day and helps to keep me focused on God. If K-LOVE is displaced by an LPFM broadcaster, the positive and encouraging message I and others in my community hear daily will be lost. Our society needs to hear the message K-LOVE is sending. People have turned their lives over to Christ because of K-LOVE. They are a valuable asset to our community and I pray you do not allow them to be forced off the air.
We need K-LOVE. Thank you for your time and consideration.
